

Driving with Epilepsy

STAY SAFE!

VEHICLE ACCIDENTS CLAIM

33,000 victims

IN THE U.S. EVERY YEAR.

If you drive, work with your doctor to make sure you're doing everything you can to keep seizures under control.

1.3%

While only 1.3% of car accidents are precipitated by a driver's medical emergency...

35%

...35% of those medical emergencies are seizures

IT'S THE LAW! Visit your local DMV to learn about driving restrictions in your state.
